Get to know Dentist Dr. Marie Crocker, who serves patients in Cambridge Springs, Pennsylvania.

**New York City, New York Jul 6, 2023 ([IssueWire.com](https://www.IssueWire.com))** - The Owner of Spa Dental Center in Cambridge Springs, Pennsylvania, Dr. Crocker has been practicing in the area since 1994 to help people smile with confidence.

Providing compassionate dental care, Spa Dental Center's top priority is to help patients reach optimal oral health so that they can enjoy a lifetime of healthy smiles. Dr. Crocker and her team offer a variety of services combined with state-of-the-art technology to ensure that each patient receives the care they need.

Academically, Dr. Crocker started her undergraduate degree at Edinboro University, where she majored in biology and was part of the Beta Beta Beta Honor Society and the Tam o' Shanter band front. She then went off to earn her Doctor of Dental Surgery degree from Case Western Reserve University School of Dental Medicine where she was accepted into Omicron Kappa Upsilon and received the Senior Student Award from the Academy of General Dentistry (AGD) Class Representative.

Since then, Dr. Crocker has earned a Master's degree from the AGD and completed 2,000 hours of continuing education courses. She is also a proud member of the American Dental Association, the Pennsylvania Dental Association, the Academy of General Dentistry, the International College of Dentists, the Pennsylvania Academy of General Dentistry, and the Erie County Dental Association.

Throughout her extensive career, Dr. Crocker has donated dental services, served as a dentist for the Penncrest School District, supported the Mill Village Give Kids a Smile Program, been a past chair of GKAs for the Pennsylvania Dental Association, volunteered for Mill Village and Fort LeBoeuf, served on the middle school PTO and held many officer positions, as well as became part of the FLB Football Booster.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries, create beautiful smiles, and perform other duties to ensure that the teeth and mouth are healthy.

Outside the office, Dr. Crocker enjoys skiing, snowboarding, playing softball, scuba diving, hiking, gardening, and riding four-wheelers. She has three boys — Travis, Trevor and Tanner — and owns two dogs — Sadie (St. Bernard) and Lilly (Lab/Mastiff).
