

Meet Fatherhood Celebration: Get More for Less with Leawo's 60% OFF Offer for Ultimate 4K/UHD Blu-ray Toolkit

Embrace Fatherhood celebration as Leawo presented a limited-time 60% off offer for Ultimate 4K/UHD Blu-ray Toolkit.

Shenzhen, Guangdong Jul 5, 2023 ([Issuewire.com](https://www.issuewire.com)) - Father's Day is a holiday to celebrate the special bonds between fathers and children. While Fatherhood is a journey that comes with both rewards and challenges not only on Father's Day. Therefore, Leawo Software, which aims to bring the best service to all customers, has launched the [2023 Father's Day Giveaway & Specials](#) activity and runs it for July 15th, 2023. In this celebration, the Ultimate 4K/UHD Blu-ray Toolkit lifetime plan is especially available for \$123.94 with a 60% discount, saving much from the original price of \$309.85.

For those who want to rip or convert 4K UHD Blu-ray to other formats with lossless quality, the Ultimate 4K/UHD Blu-ray Toolkit is helpful and convenient. This toolkit is a comprehensive 4K/UHD Blu-ray solution to 4K/UHD Blu-ray drive firmware/videos/movies, including three versatile tools: UHD Ripper, UHD Copy, and UHD Drive Tool. Each of them is described below:

- [The UHD Ripper](#) is more useful than a ripper — ripping 4K UHD Blu-ray of all types in various regions/countries and converting 4K UHD Blu-ray to video/audio files in 180+ formats with hardware acceleration. It can not only preserve the original video and audio quality for quality lossless playback in 4K UHD Player/TV, but also edit 4K UHD Blu-ray movies with audio tracks and subtitles kept, and play or capture screenshots of movies during playback.
- [The UHD Copy](#) enables users to copy 4K UHD Blu-ray movies easily and remove the AACS 2.0 protection upon 4K UHD Blu-ray discs. It can [back up 4K UHD Blu-ray](#) in 1:1 full movie or movie-only mode, and the image quality of the 4K Ultra HD Blu-ray can be preserved perfectly in the process of copying. Both beginners and advanced experts are recommended to use this

software because of the easy-to-use interface.

- [The UHD Drive Tool](#) is used to [downgrade firmware like Archgon](#) on UHD-unfriendly Blu-ray drive to a compatible version, so as to make 4K UHD backup, conversion, or playback easy. Covering internal 4K Blu-ray drives with SATA interface and external 4K Blu-ray/USB drives, it is designed to support the overwhelming majority of the 4K UHD drives existing. Users can carry out the downgrading process in 1-click.

Except for this toolkit, Leawo offers more multimedia solution packages with up to 90% off, like CleverGet All-In-One 10 for downloading videos from 1000+ websites. Meanwhile, a Photo Enhancer freebie and 30% sitewide coupons are presented in this promotion, too. Customers can get these bonuses on the activity page.
