Article

Wilmington, Delaware Jul 24, 2023 ([IssueWire.com](https://www.issuewire.com)) - The world grapples with food crises and environmental concerns, and the urgent need for sustainable solutions has never been more apparent. As populations grow and resources dwindle, innovative approaches to agriculture, responsible consumption, and equitable distribution are vital to ensure a nourished and sustainable future for all. But what if the solutions do not lie in futuristic technological advancements?

Readers embark on a thrilling journey with *Sorgho Squad: Chapter #1: From the Ruins Comes Jowar!* This captivating new book by Nate Blum, an expert in grain sorghum production and marketing, takes readers on an exhilarating adventure that addresses pressing global challenges such as food insecurity, malnutrition, sustainability, and climate change. As the story unfolds, readers are introduced to Professor Sorgho and his apprentice, Alice Atlas, as they race against time to unlock the secrets of an ancient super-team hidden within long-lost archeological sites.

The book is for adventure enthusiasts, environmental advocates, and those passionate about shaping a sustainable future. Blum's captivating storytelling and thought-provoking themes make this book a must-read for anyone seeking inspiration and solutions to the world's most pressing challenges. Blum's unique blend of expertise and storytelling will transport readers into a world where ancient wisdom holds the key to a brighter future. The book's rich storytelling takes readers on a journey where the fate of humanity hangs in the balance. As Professor Sorgho and Alice Atlas venture through perilous landscapes and decipher cryptic clues, they encounter obstacles that test their resilience, wit, and determination.

With every step they take, the duo inches closer to unraveling the ancient secrets that can transform the future of our planet. Will they succeed? Or will humanity grow hungry as they fail?

To celebrate the release of *Sorgho Squad*, Nate Blum talked about the book in a radio interview with Emmy Award-winning author and radio personality Kate Delaney on America Tonight. This exclusive interview will delve into the inspiration behind the book, Blum's extensive experience in grain sorghum production and marketing, and the significance of finding sustainable solutions to pressing global issues, as illustrated in the book.
