

Predict Addict Launches Free Football Prediction League for FIFA Women's World Cup 2023

Poole, Dorset Jul 17, 2023 ([IssueWire.com](https://www.issuewire.com)) - **Predict Addict**, the free online prediction game platform, has announce the launch of its highly anticipated FIFA Women's World Cup 2023 football prediction league. The game offers football enthusiasts from around the globe an opportunity to showcase their prediction skills and vie for the ultimate title of being a prediction champion.

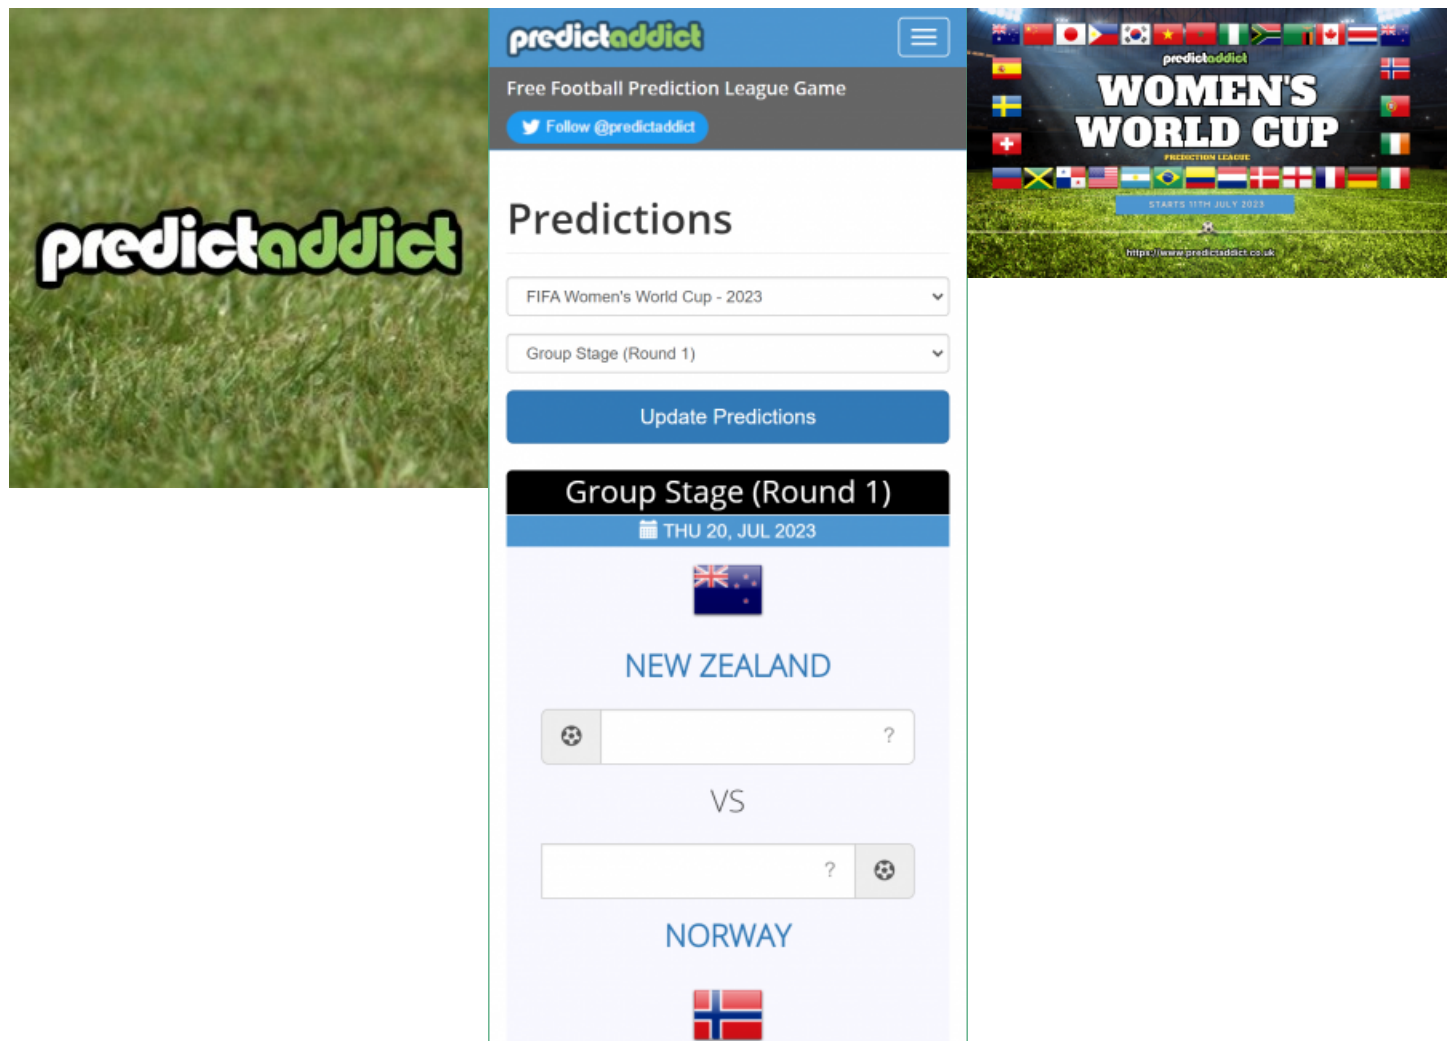

The FIFA Women's World Cup 2023 prediction league on Predict Addict invites users to predict the scores between fixtures and earn points based on the accuracy of their predictions. With each game, participants can put their knowledge and intuition to the test as they strive to outsmart their competitors and climb the ranks. The ultimate objective is to accumulate the highest score and claim the title of prediction league winner.

One of the most enticing aspects of Predict Addict is the ability to create custom mini leagues. Users can challenge their friends, colleagues, or even rival football fans by creating their own private prediction leagues. This feature enables a friendly and exciting competition among peers, adding a social element to the game that enhances the overall experience.

Since its inception in June 2006 for the FIFA World Cup, Predict Addict has captivated players worldwide with its engaging and user-friendly platform. What started as a small gathering of friends quickly evolved into a global community, with members spanning across all corners of the world.

Predict Addict is inviting football fans everywhere to join and begin making their predictions today. Predict Addict has already gained recognition for its successful prediction leagues, having organised competitions for the FIFA World Cup, the FA Premier League, and the Copa América. With the launch of the FIFA Women's World Cup 2023 prediction league, the platform further solidifies its commitment to delivering high-quality prediction games for various football events.

Anyone can take part from a seasoned predictor to a newcomer to the world of football predictions. To find out more visit <https://www.predictaddict.co.uk/WomensWorldCup2023>.
