Get to know Prosthetist & Orthotist, Shane Wakefield, who serves patients in Florida.

**New York City, New York Jul 17, 2023 ([IssueWire.com](https://www.issuewire.com))** - A board-certified prosthetist and orthotist, Shane works with patients at Express Orthotics & Prosthetics in Tampa, Florida. As a native of Tampa, he has always been deeply connected to his community. He has dedicated himself to improving the lives of individuals who have experienced limb loss or require orthotic interventions. His commitment to his patients is evident through the personalized care he provides, always striving to understand their unique needs and goals.

Academically, his journey in the field of prosthetics and orthotics began at the University of South Florida, where he completed his undergraduate studies. Recognizing his dedication and aptitude for the subject, he pursued further education at Northwestern University, renowned for its cutting-edge orthotics and prosthetics program.

Shane's expertise in prosthetics and orthotics is matched by his unwavering compassion. He approaches each patient with empathy, understanding the challenges they face and the emotional impact of their conditions. By establishing a strong rapport and building trust, he creates a supportive environment where individuals feel comfortable sharing their concerns and aspirations.

One of his greatest strengths is his keen technical eye. He possesses meticulous attention to detail, ensuring that each prosthetic or orthotic device is customized to fit perfectly and function optimally. Through his precise measurements and fine-tuning, he enables his patients to regain their independence and mobility, empowering them to lead fulfilling lives.

Over the years, Shane has helped hundreds of individuals overcome physical limitations and achieve their goals. His work extends beyond simply providing prosthetic or orthotic devices; he plays an integral role in the rehabilitation process, working closely with therapists, physicians, and other healthcare professionals to ensure comprehensive care.
