

Shaun Cairo ("Pitchfork", "Secret Society") will produce upcoming feature film "The Reunion."

Award winning filmmaker Shaun Cairo to produce psychological thriller titled The Reunion.

New York City, New York Jul 20, 2023 ([Issuewire.com](https://www.issuewire.com)) - Shaun Cairo of Shakir Entertainment is set to produce the upcoming mind blowing feature film The Reunion.

The Reunion is a pschological thriller that taps into the psyche of those who are alienated and cast aside. The Reunion was written by K. Maurice & Xavier Montez.

Mr. Cairo is the producer of several feature films including "Pitchfork", "The House Invictus", "Secret Society" and more. Shaun Cairo has been in the entertainment business for well over 15 years and shows no signs of slowing down. Mr. Cairo's business acumen has placed him parallel to some of the television and film industry best.

The future of t.v. and film is on a trajectory of much needed change and the psychological thriller The Reunion will assuredly showcase a lot of that.

The Reunion will begin filming late winter of 2023 with a 2024 release.

Pitchfork and Secret Society are both available on streaming platforms Apple TV, Amazon Prime, Tubi TV, Sling TV and others.
