

## Three43 Launches Android App, Expanding Access to Digital Collectible Art

Three43 enhances user experience with Android app release, connecting art collectors to digital masterpieces.

**New York City, New York Jul 4, 2023** ([Issuewire.com](https://www.issuewire.com)) - [Three43](#), a pioneer non-crypto art collection platform in the digital collectible art space, is excited to announce the official launch of its highly anticipated Android app. Following the successful introduction of the iOS app last year, Three43 is expanding its reach to Android users, making digital collectible art more accessible than ever before.

“We’re pleased to inform art enthusiasts that the Three43 Android app is now available. Building upon the success of our iOS app, our team has worked diligently to ensure a seamless experience for all users,” said John Lundholm, CEO and Founder of Three43. “Our goal is to democratize digital collectible art and provide a platform that caters to a diverse audience. The launch of our Android app is a significant milestone in achieving this objective.”

The Three43 Android app allows art enthusiasts to immerse themselves in the captivating world of digital collectible art. With a user-friendly interface and intuitive features, the app enables users to explore, collect, and trade unique digital artworks effortlessly.

“We’re committed to enhancing the user experience on our app. Our team is actively working on exciting features that will benefit both seasoned and novice art collectors, as well as anyone with a passion for art,” Lundholm added. “At Three43, we are dedicated to bringing art closer to the public by breaking

down barriers to access.”

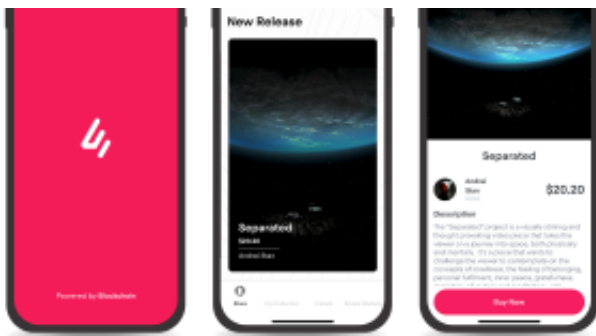

Interested users can now download the Three43 app from either the [App Store](#) or [Google Play Store](#), granting them access to a curated collection of digital collectible art. The app showcases limited editions and one-of-a-kind pieces from renowned and emerging artists across diverse genres and styles. Transactions conducted on the app are secure and verified through blockchain technology, ensuring transparency and authenticity in every art acquisition.

The launch of the Three43 Android app marks a significant step forward in the company’s mission to democratize the digital collectible art market. By leveraging technology, Three43 aims to foster creativity, accessibility, and inclusivity in the art community.

Art lovers can download the Three43 app now from either the [App Store](#) or [Google Play Store](#) and embark on an immersive journey into the world of digital collectible art.

### About Three43

Three43 is a leading platform in the digital collectible art space, founded by John Lundholm. The platform provides artists with a space to showcase their talent while offering collectors the opportunity to discover and own unique digital artworks. Through its innovative app, Three43 aims to make digital collectible art accessible to a wide audience, fostering creativity and inclusivity.
