

Visit India with less hassle and in an easier way with the Indian e-Visa

New Delhi, Delhi Jul 19, 2023 ([Issuewire.com](https://www.issuewire.com)) - Entering India would require a valid passport and a visa for foreign citizens. Obtaining the Indian visa is not easy, if it is a traditional one as travelers would need to pay a physical visit to the nearest embassy and spend hours. To make it easier, the Indian government has launched the Indian e-Visa which lets foreign citizens apply for and obtain a visa online, from anywhere in the world, without ever paying a visit to the Indian embassy. If you are wondering about **How to get Urgent Emergency Indian Visa**, then it can also be applied online and the visa will have a validity of a minimum period of 3 months. Know more details at: <https://www.indian-visa-online.com/urgent-indian-visa>.

Since Australia was a launch member of this initiative by the Indian government, citizens of Australia

can also apply for the Indian e-Visa directly through the website. The **Indian Visa for Australian Citizens** can be obtained for several purposes such as tourism, business, medical and medical attendance. Besides adults, Australian children, starting from a newborn, must also apply for the visa separately as there is no concept of a family or group Indian Visa. Get more details from <https://www.indian-visa-online.com/indian-visa-australian-citizens>. The tourist e-Visa is a multiple-entry visa that will allow a maximum stay of 90 days. This visa is valid for 30 days, one year, and 5 years. For a business e-Visa, there can be two entries with a maximum stay in India of 90 days which is valid for a year. For the medical e-Visa, the entries can be up to three times with a maximum stay in India of 60 days. Similarly, the USA being another launch member of the program, the **INDIAN VISA FOR UNITED STATES Citizens** allows citizens to visit the country for tourism, business, and medical purposes. When it comes to Medical attendant visas, the Indian government grants only two medical attendant visas against one medical e-visa.
