The DAMABIAH Foundation is a non-profit humanitarian organization that helps people in need in Haiti, regardless of their beliefs.

The end-of-year holiday season is a wonderful time of sharing and celebration, which we particularly love. This season of the year gives us the opportunity to experience unforgettable moments with our loved ones, full of wonder and magic.

And it is in this same Christmas spirit that our teams organize the Damabiah Foundation Christmas tree every year and distribute toys to fill the hearts of underprivileged children with joy.

Today, we have the pleasure of offering 1,232 children living in communities in Haiti a pleasant and festive moment, which will immerse them in the spirit of the end-of-year celebrations.

The Foundation thanks its generous donors in Haiti, Radio-Télé Métropole, its CEO Richard Widmaier, Wendell Theodore CEO of Radio TELE JACMEL INTER, Robert Stanley Figaro CEO of Graphcity, Dimitri Nau, General Director of DHL Express in Haiti, Jacky Nau, the Brandt family in particular David Brandt, Ambert and Daphné Philippe. Without their support, this event could not be organized. We also thank our supporters abroad.

Thank you for the trust and support renewed every year. Thanks to you, we fill our children with joy and happiness.

The Damabiah Foundation would also like to extend its warmest thanks to all the volunteers who contributed to the realization of these exceptional activities.

Damabiah Foundation humbly appeals for support from donors in these trying times. The foundation's ability to continue its vital programs relies on the generosity and compassion of global partners. No matter how modest, every contribution goes a long way in alleviating the suffering of Haiti's most vulnerable populations.

Thank you for your valuable time and dedication to the cause of children.

Our wish is that this generosity and love which reigns during this time, illuminates our lives throughout the year to come.

Merry Christmas everyone and happy holiday season.
