

Andrew Fedorowicz, MD, an Internist with Semper Healthcare

Get to know Internist Dr. Andrew Fedorowicz, who serves patients in Greenwood Village, Colorado.

New York City, New York Aug 11, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Fedorowicz is a board-certified physician specializing in internal medicine and primary care. Since November 2014, he has been the Principal of Semper Healthcare in Greenwood Village, Colorado.

“My commitment to my patients and their care - and providing each with the level of support and

attention that they merit - defines our success” expressed the doctor.

Locally, he is affiliated with Rose Medical Center, Presbyterian/St. Luke's Medical Center, and Swedish Medical Center.

Born to a family that can trace several generations in Colorado, Dr. Fedorowicz graduated with his Bachelor of Arts degree from Colorado College in 1992. He then went on to earn his Medical Degree from the University of Colorado School of Medicine - Anschutz Medical Campus in 1996.

Furthering his training, he performed his residency in internal medicine at the University of Colorado from 1996 until 1999.

Throughout his extensive line of work, Dr. Fedorowicz has conducted primary care and pre-operative evaluations with Colorado Medical Consultants (1999 - 2007), served as Chief of the Surgical Consult Service at Porter Adventist Hospital (2005 - 2008), Medical Director of Pre-Operative Risk Evaluation at Porter Adventist Hospital (2008 - 2011), and as Medical Director of Centura Medical, Centura Health Physician Group (2011 - 2014).

Board-certified in internal medicine, he is a Diplomate of both the American Board of Internal Medicine and the National Board of Physicians and Surgeons.

Continuously advancing his efforts, Dr. Fedorowicz is an active member of the American Medical Association and a Fellow of the American College of Physicians.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

From One-Star to Five-Stars with HealthGrades, Dr. Fedorowicz developed and oversaw several multispecialty, multidisciplinary quality initiatives; CMS-anticipated rate of complications moved to the lowest level of expectation in the shortest timeframe measurable; and preserved the hospital's DRG-based revenue.
