RUBBLED DUST LYRICS

Your bruised escape
Turned you back against the moon Ephor-morality
Like a weed those withers bloom
A path unknowing so alone could be true Unchain the past and start anew
the dying lights
never fallen from quite this high. Look away, like a masquerade in the night a forlorn path
Unknowingly so
Take flight till the dawning says hello
so I sat alone, and played a little song- there was a memory though fading, still is beating brave and strong.
I understand,
those shattered tears they land on the floor turning to rubbled dust once more
(Instrumental)
so I sat alone, and played a little song- there was a memory though fading, still is beating brave and strong.
I understand,

those shattered tears they land on the floor turning to rubbed dust once more
