

Children's music group, The Clementine Kids release new album!

A fresh new sound in the children's music genre.

Nashville, Tennessee Aug 3, 2023 ([Issuewire.com](https://www.issuewire.com)) - The Clementine Kids are a children's music group that writes, records and performs fun, upbeat, and educational music for all ages. The group was formed by Emmy Award-winning editor and musician Joseph Spence and his 9-year-old daughter, Anna, who began writing children's songs in 2020. By early 2023 the two had written over twenty songs and began recording their first full-length album, *Puppy Love*. As production began, Anna's dance

school partner and talented singer, 10-year-old Caroline Henry, joined the group. The two girls shine taking turns at lead vocal with both harmonizing on choruses. The album has two very special guests, Grammy Award-winning banjo virtuoso Alison Brown and ten-time IBMA Award-winning fiddle player Becky Buller.

We hope that you will take a listen and share with your friends and family.
