

CleverGet Unleashed New Capabilities and Fixes in Latest Update for Ultimate User Satisfaction

CleverGet V12.0.0.0 was launched recently, giving more possibility for digital content acquisition and optimization for precision.

Shenzhen, Guangdong Aug 24, 2023 ([IssueWire.com](https://www.issuewire.com)) - Presenting the latest evolution in download management: the most recent update launched by CleverGet, the world's leading online source downloading solution provider trusted by millions of worldwide customers, is set to revolutionize users' experience with a blend of groundbreaking capabilities and meticulous bug fixes. Designed with the utmost commitment to user satisfaction, this update enhances every facet of customers' downloading journey, ensuring optimal performance and reliability. Check out the content below to learn more details about the updates.

With the new capabilities that CleverGet has unleashed, users can now effortlessly access a wider array of online content than ever before. Previously, video downloaders primarily focused on popular platforms like YouTube, but now they support numerous websites like Tubi TV, Rakuten TV, ESPN+, and MGSTAGE. But that's not all. This latest update also addresses any lingering bugs or glitches, providing a seamless and glitch-free experience. The dedicated team at CleverGet has worked tirelessly to ensure that every aspect of the software is optimized for reliability and precision. Here are main updates in CleverGet V12.0.0.0:

- Newly added Funimation Downloader module to download videos from Funimation.com website.
- Newly added Pantaflx Downloader module to download videos from Pantaflx.com website.
- Newly added TVer Downloader module to download videos from tver.jp website.
- Optimized NHK+ Downloader module to support downloading videos from nhk-ondemand.jp website.
- Optimized OnlyFans Downloader module to support downloading adult videos from OnlyFans.com website.
- Newly added Korean program UI language.
- Fixed other known issues.

Overall, updates in CleverGet bring a range of improvements, including expanded platform support, advanced algorithms and enhanced user experience. With these updates, video downloaders continue to empower users to effortlessly save and enjoy their favorite videos from various online sources.

CleverGet is now available on its official website. Users can download the free trial version to have a try and 3 videos are downloaded without time limitation during trial period. What's more, here comes good news that lifetime licenses for single modules like Video Downloader, [Amazon Downloader](#), [Netflix Downloader](#), Disney Plus Downloader, and other downloaders are offered 50% off discount now on the website. What's better, [CleverGet All-in-One 11](#) toolkit for 1000+ sites is now sold at **91% off** during [Back to School Sales](#).
