Singapore, Singapore Aug 3, 2023 (Issuewire.com) - Contemi Solutions, trusted technology solutions provider to insurance, asset & wealth management, banking & capital markets industries, is thrilled to announce the appointment of Nelius Strydom as Chief Product Officer.

An accomplished professional with over 26 years of experience across financial services industry,

Nelius has held several senior leadership positions across established firms and startups, including notable organizations such as Standard Chartered Bank, ING, GoBear, and SYPAQ. In his previous role as the head for Business Partners at Sypaq, Nelius delivered the largest post M&A integration in the general insurance market in Malaysia.

Throughout his career, Nelius has worked closely with regulatory bodies, and with legal and compliance teams, gaining him valuable insight into the regulatory requirements of the industry and ensuring adherence to it.

"We are delighted to welcome Nelius to Contemi," said Daniel Thafvelin, Group CEO at Contemi Solutions. "With his outstanding expertise, clear structure, and innovative approach, I am confident that he will play a pivotal role in driving our product development and reinforce our commitment to deliver high value to our clients and fulfill the mission of Contemi. Nelius' joining is a strategic milestone for the company and marks an exciting chapter in our transformation journey."

Nelius expressed his excitement about joining Contemi, stating, "I am honoured to be a part of such a dynamic and forward-thinking organization. Contemi's progressive vision and focus to build leading-edge solutions, like Seamless.insure for the insurance industry, has gained them an impressive reputation in the market. I am eager to contribute my skills and vision to further elevate our product offerings."

As the new Chief Product Officer, Nelius will assume a central role in spearheading the research, development, and launch of innovative features that cater to the evolving needs of Contemi's customers.

Nelius, in his personal time, is also the Chairman of Musicians' Initiative - a group that helps aspiring professional musicians in Singapore.
