

Delhi Public School (DPS) Looks to Expand its Footprint, Taps into Hinjawadi, Pune

Mumbai, Maharashtra Aug 10, 2023 ([Issuewire.com](https://www.issuewire.com)) - Delhi Public School, under the aegis of the DPS Society, is set to mark its presence in Pune's sprawling urban suburb, Hinjawadi, and is set to launch an Expression of Interest (EOI) for admission seekers from 09th August 2023, opening the doors to a world of unlimited possibilities. The school will commence operations from April 2024 for the academic year 2024 - 2025.

With a rich legacy spanning 75 years, DPS holds a strong reputation for being one of the top CBSE-affiliated institutions across India. Its unwavering commitment to providing academic excellence stands as a testament to its rich heritage. The DPS Family, with a transcontinental identity, represents more than just institutions; it is a network of values, systems, and relationships.

At the helm of the new branch of DPS in Hinjawadi, Pune, are Gautam Rajgarhia - Pro Vice Chairman, and Siddharth Rajgarhia - Chief Learner and Director. With their extensive experience in education management and school establishment, they aim to make DPS Hinjawadi one of the most renowned and credible names in quality education in Pune. Their idea is to build the capacity and facilitate a platform for students to pursue quality education.

DPS Hinjawadi is firmly committed to providing a progressive and holistic education. It recognizes the vital role of character development as the cornerstone of academic excellence. The core belief of the school lies in fostering the holistic development of each child, encompassing their social, emotional, spiritual, cognitive, and physical dimensions. This holistic approach paves the way for unlimited

possibilities in their personal and academic journeys.

“Our foray into Pune and establishment of the DPS Hinjawadi campus is a demonstration of our commitment to facilitate educational development and opportunities for growth. We are eager and optimistic about the set-up of this campus and looking forward to providing the platform that the students of Pune deserve” shared Siddharth Rajgarhia, Chief learner and Director, Delhi Public Schools in Varanasi, Nashik, Lava Nagpur, and Hinjawadi.

Siddharth further added, “Our tailored curriculum emphasizes academic prowess while nurturing a love for learning, critical thinking, and problem-solving. The school cultivates a success mindset that empowers students to overcome challenges, embrace opportunities, and set ambitious goals.

In a secure and nurturing environment, the school endeavors to shape future world leaders with strong character and a success mindset to create a positive impact on society and make the world a better place to live & offering students a gateway to unlimited possibilities.

The management’s vision centers around nurturing and preparing students to be responsible global citizens while inculcating a success-oriented mindset. DPS Hinjawadi will be equipped with top-notch facilities and innovative programs, enabling each student to realize their unique potential which is not just academic focused. The achievement of establishing DPS satellite schools in numerous locations such as Varanasi, Nagpur, and Nasik showcases the school management’s deep passion and expertise in providing excellence in education. The young second educational entrepreneurs represent a transformative shift in the primary and secondary education landscape and reflect the dynamic spirit and foresight of the young leaders to create access and promote excellence in education.

DPS Hinjawadi has meticulously designed its curriculum to cater to students' social, emotional, spiritual, cognitive, and physical aspects, fostering a secure atmosphere for overall character development. The broader goal of this approach remains to provide a secure atmosphere to the students and imbibe a blend of concepts, coupled with skills required for overall character development. Due to its bustling urban setting and rising status as a center of education in Pune, Hinjawadi was chosen as the location for DPS. The area's strategic proximity to major IT parks and industries presents abundant opportunities for students to explore potential career paths. Additionally, Hinjawadi's tranquil and convenient location makes it the perfect setting for a safe and supportive learning environment at DPS. Its proximity to major IT parks and industries offers abundant opportunities for students to explore potential career paths, providing a unique platform for unlimited possibilities in both education and future endeavors.

Spread across a sprawling 1 lac 50 thousand sq. ft of built-up area & encompassing 40 thousand sq. feet of open space for a state-of-the-art playground and diverse sports facilities, DPS Hinjawadi aims to commence operations with the batch of 2024-25. Though the institution will initially offer classes from Nursery to Class VI, it will gradually extend up to Grade XII. This development is a part of the DPS Society’s goal to extend its educational expertise and make Hinjawadi a great educational hub, where students could study and explore employment opportunities.

Employing interactive and innovative teaching methods, DPS Hinjawadi aims to ignite a lifelong passion for learning in its students. With a data-driven approach, the school caters to the unique needs and learning styles of each student, providing personalized instruction to help them reach their full potential. Ensuring the safety and security of students is of utmost importance, and the school will implement rigorous measures to create a secure learning environment. Additionally, GPS-enabled

transportation facilities will be available for convenient and reliable commuting.
