

Derek Sobieraj, Recognized by BestAgents.us as a 2023 Top Agent

A go-getter, Derek has honed and refined his skills in real estate acquisition, development, and disposition projects across the Chicagoland area.

New York City, New York Aug 11, 2023 ([Issuewire.com](https://www.issuewire.com)) - A Chicago-born entrepreneur specializing in real estate, Derek is the Designated Managing Broker for Team Sobiko. Since starting his career, he has been involved in over 375 projects. His expertise spans residential and commercial real estate, where he handles all aspects of leasing, purchasing, and selling.

He is a multi-licensed professional, additionally holding an associate real estate appraiser license. As a professional who is also invested in the industry, Derek shares his passion by assisting individuals in navigating and determining the value of real estate. He takes great pride in helping people think and get smarter about real estate, especially when they are transacting.

After graduating from DePaul University with a Bachelor of Arts Degree in Public Relations, Advertising, and Applied Communication in 2015, Derek initially pursued a career as a marketing professional. However, his entrepreneurial aspirations soon led him toward the real estate industry, which he entered in 2016 after acquiring his real estate broker license.

Subsequently, Derek joined a Chicago-based homebuilder, where he gained exposure to various aspects of the business, including capital management, development, and operations. This experience provided him with a fresh perspective, motivating him to become the most valuable advisor in the real estate field.

Since making this pivotal decision, Derek has actively participated in numerous transactions, and earned his managing broker license, appraisal license, and a Master of Science Degree in Real Estate in 2021.

Holding membership status with professional affiliations, he is involved with the National Association of Realtors®, the Illinois Association of Realtors®, the Chicago Association of Realtors®, Chicago Innovation, the Real Estate Investment Association, and the DePaul University Alumni network.

As an active member of the real estate community, Derek prominently volunteers and serves on the Emerging Leader, Scholarship, and Membership committees for the Real Estate Investment Association (REIA), offering scholarships and leadership programs, as he once received himself. He also speaks on various topics, including real estate, career development, and entrepreneurship.

With remarkable accomplishments, Derek attributes his success to his unwavering integrity, honesty, and guidance provided by his mentors.

Outside of work and networking, he enjoys spending time with friends and family, gaming, rock climbing, and occasionally, entertaining audiences with magic.
