

Enjoy Some Intense Music from the Band MOR Consisting Of Immensely Talented Artists

A popular band from Kiel, MOR is going to release its intense music tracks. Join the celebration of drifting melodies by listening to their latest release.

Kiel, Aug 30, 2023 ([IssueWire.com](https://www.issuewire.com)) - Get ready to experience the colossal musician's magic once again. The band, **MOR** has only two artists, Ansgar Pahl and Matthias Fuhlendorf, One takes care of the vocals, recording, and programming and the other one sees the guitars and keyboards. The post-metal band is from Kiel, Germany, and was formed back in 2016. The band of two musicians already

impressed the audience with their intense approach to music that creates a drifting atmosphere for the listeners.

The band has already released its second full-length album and fans are very excited to experience the essence of darkness once again. **MOR** shared its first-ever full-length album '**Antiphase**' after the formation of the band in 2018. The band has now released their second full-length album '**Duester**' today. Fans are showering their love and affection on the music. '[Everything](#)', '[Ritual](#)', and '[Duester](#)' are three of the many songs from the album '**Duestar**' which are taking all the attention of audiences from music lovers around d the world. '**Temple of Forgiveness**', '**Desert Bridge**', and '**Mother of Emptiness**' are there in the album as well.

The soundtracks offer fondness over melodies and create a hypnotic atmosphere while listening. The desire to spread wings beyond the boundary is encouraged as well as praised by their fans. Fans are not complaining about the emotional roller-coaster ride they get to enjoy. There is a single music track that garnered much attention such as '**Souls**', '**Viral**' and '**Solstice**' with more than three thousand plays. The duo created a melodious world and took the post-metal genre to another level with their unique presentation and diverse creation. The jaw-dropping music tracks have now increased the expectations of the fans of the band. They will be waiting for some composition that is intense as well as meaningful in the future.
