

EnviroPod™ Launches LittaTrap™ Giveaway in Canada

We are giving away LittaTraps in Canada to Support Research, Education, and Non-profit Organizations in Their Mission for Cleaner Waterways

Toronto, Ontario Aug 2, 2023 ([Issuewire.com](https://www.issuewire.com)) - EnviroPod™, a leading environmental stormwater solutions provider, is thrilled to announce the LittaTrap™ giveaway, an initiative aimed at supporting research, education, and non-profit organizations that are dedicated to improving the health of our waterways.

In recognition of the vital work these environmental champions undertake, EnviroPod™ is offering 10 x LittaTrap catch basin inserts to help protect local waterways

Clean waterways are crucial for the well-being of communities, wildlife, and the environment at large. EnviroPod™ firmly believes that by empowering organizations committed to cleaner water systems, we can collectively create a positive impact on our planet.

"We are excited to launch the LittaTrap™ giveaway and extend our support to organizations working tirelessly to improve waterway conditions," said Mike Hannah, Co-founder at EnviroPod™. "By providing LittaTrap™ devices, we aim to equip these champions with a powerful tool that can significantly contribute to the preservation of their local water sources."

The LittaTrap™ is an innovative and effective solution designed to capture and prevent litter and debris from entering stormwater systems and, ultimately, water bodies. By using the LittaTrap™, organizations can not only protect their local waterways but also play a crucial role in preventing the harmful impact of pollution on aquatic ecosystems.

Participating in the LittaTrap™ Giveaway is straightforward. Organizations interested in entering can simply visit the official entry form on EnviroPod's™ website (<https://www.enviropod.com/en-ca/lp/littatrap-giveaway>) and provide details about what makes their river, lake, ocean, or local watershed special. Submissions will be evaluated, and the selected organizations will be awarded a LittaTrap™ to help further their environmental initiatives.

The LittaTrap™ Giveaway is open exclusively to research, education, and non-profit organizations based in Canada. EnviroPod™ encourages all eligible organizations to participate and seize this opportunity to make a significant difference in their local communities and the environment.

About EnviroPod™:

EnviroPod™ is a forward-thinking environmental solutions provider committed to protecting and enhancing the world's water resources. The company specializes in developing innovative stormwater treatment technologies that effectively prevent litter, debris, and pollutants from contaminating waterways. With a deep-rooted passion for environmental sustainability, EnviroPod™ collaborates with various organizations and communities to create cleaner and healthier water systems globally.
