Holding a high level of professionalism, Faye finds great fulfillment in helping people achieve their dreams of homeownership.

New York City, New York Aug 8, 2023 ([Issuewire.com](https://www.issuewire.com)) - Actively involved in the real estate industry for over 45 years, Faye is an Associate Broker at Counselor Realty Inc. in Maple Grove, Minnesota.

Specializing in residential properties, her primary objective is to collaborate with her clients in order to

offer them the most exceptional experience when it comes to buying or selling their homes. Faye is dedicated to bringing complete commitment, extensive knowledge, and unwavering honesty into her business dealings.

One of her proudest accomplishments is the fact that she has been able to serve multiple generations within the same families, assisting not only her original clients but also their children, grandchildren, and even great-grandchildren.

After graduating from Barnum High School in the early 1960s, Faye attended the Duluth School of Nursing and became a Licensed Practical Nurse (LPN). She dedicated herself to this field for an impressive 54 years before retiring.

With three children at home, Faye decided to pursue a career in the real estate industry, starting as a receptionist for a realtor. One of her co-workers at that company told her she would be a great realtor. Therefore, she completed a Real Estate Appraisal Program at Anoka Ramsey Community College and obtained her license in 1978, having grown from strength to strength ever since.

Achieving prestigious honors in the real estate industry, Faye is a member of the International President's Circle, the Diamond Society, and the Minnesota Association of Realtors. She has also been recognized as a member of the Million Dollar Club on twenty-two occasions.

In recognition of her exceptional performance, Faye was honored as the Top Female Executive in 2016 by Coldwell Bankers International Presidents Club. She was also named Agent of Excellence and received awards for being among the top forty agents for both listings taken and buyer-controlled sales.

Attributing her success to the remarkable individuals with whom she surrounds herself, Faye recognizes the influence of her parents, whose upbringing instilled in her the values and work ethic that have propelled her forward. She also acknowledges the support of her children and extended family, who have continuously stood by her side throughout her extensive career.

A lifelong resident of Minnesota, Faye enjoys spending time with her family and grandchildren any chance she gets. She dedicates her time to volunteering at Word of Peace Lutheran Church, the Ulcerative Colitis Foundation, and the Cancer Foundation.
