

Fine Nude Art photographer Kristian Liebrand receives platinum award at "European Photography Awards"

Bochum, Germany Aug 22, 2023 ([Issuewire.com](https://www.issuewire.com)) - At the "European Photography Awards 2023" the german photo artist Kristian Liebrand has received the highest award, the Platinum Award, in the category Fine Art N u d e s " for his work "flowing beauty".

Several thousand photo artists from more than 50 countries participated in this prestigious competition.

Kristian Liebrand was able to convince the international jury with his elaborately designed work in terms of image concept, design and technical implementation. It should be emphasized that the work is not the result of "artificial intelligence", but of his own creativity and manual implementation.

"It is a great honor to have been awarded among the many great photo artists for this artwork. I put a lot of energy into this elaborate photography in particular and am pleased that I was able to meet the jury's taste with the design and implementation," the award winner reports on his latest success. With more than 70 international awards for artistic nude photography, Kristian Liebrand is one of the most renowned nude art photographers of our time. His works have been exhibited in Berlin, Vienna, London and New York, and other cities.
