

## **Galina Feldman, DO, a Family Physician with Atrium Health - Harvard Vanguard Beverly**

Get to know Family Physician Dr. Galina Feldman, who serves patients in Beverly, Massachusetts.

**New York City, New York Aug 3, 2023 ([Issuewire.com](https://www.issuewire.com))** - Having established herself as a proficient family medicine practitioner, Dr. Feldman provides care for members of the family from newborns to seniors. She became a valued member of the Department of Family Medicine at Atrium Health - Harvard Vanguard Beverly in 2022.

Her areas of expertise encompass women's health and preventive medicine, demonstrating her dedication to promoting well-being and proactive healthcare.

Among her preferred hospitals are Beverly Hospital, Lahey Hospital & Medical Center, and Boston Children's Hospital, where she continues to deliver exceptional care to her patients.

During her educational journey, Dr. Feldman attended the University of Massachusetts - Lowell for her undergraduate studies. Subsequently, she pursued her Doctor of Osteopathic Medicine degree at the esteemed Touro College Of Osteopathic Medicine located in New York.

To further enhance her medical training and expertise, she completed her residency at Rutgers Robert Wood Johnson Medical School in Freehold, New Jersey.

Board-certified in family medicine, Dr. Feldman is a Diplomate of the American Osteopathic Board of Family Physicians (AOBFP). The AOBFP is an organization that provides board certification to qualified osteopathic physicians (DOs) who specialize in delivering comprehensive primary care for patients of all ages, genders, and addressing all parts of the body (family physicians).

Teaching students, Dr. Feldman serves as an Instructor of Family Medicine at Boston University Chobanian & Avedisian School of Medicine.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

Outside of practicing medicine, Dr. Feldman enjoys traveling, cooking, and practicing yoga. She is fluent in both English and Russian.
