Seattle, Washington Aug 19, 2023 ([IssueWire.com](https://www.IssueWire.com)) - PanIIT USA is proud to announce the much-anticipated IIT2024 Global Conference, bringing together the brightest minds and IIT alumni from across the world. The event will take place in Washington, DC, from January 12th to January 14th, 2024.

With the tagline "The Future Is Here Now" and a thematic focus on innovation, the conference promises to be a transformative experience for all attendees.

From artificial intelligence to sustainable development and cutting-edge medical breakthroughs, the IIT2024 Global Conference speakers will cover a diverse range of innovations. Entrepreneurship and India's rising global influence are also topics of interest.

Here are our prestigious speakers for the IIT2024 Global Conference:

Vinod Khosla (Founder and Managing Partner, Khosla Ventures)

Vint Cerf (VP and Chief Internet evangelist for Google)

Arvind Krishna (Chairman and CEO, IBM)

Sal Khan (Founder and CEO, Khan Academy)

David Rubenstein (Co-founder and Co-chairman, The Carlyle Group)

Nirupama Menon Rao (Former Indian Foreign Secretary and Ambassador to US)

Steven Chu (Nobel laureate, Physics and Former Energy Secretary)

Speaker keynotes, panel discussions, and interactive workshops open opportunities for attendees to engage with luminaries and gain insights that will shape their own professional trajectories. There will be ample networking opportunities for alumni to reconnect with old friends, forge new partnerships, and strengthen the global IIT community.

"What an opportunity to rekindle the warmth of networking among IITians that began in 2003. I welcome all IITians, family, friends and supporters to the National Harbor Gaylord Resort to share legendary achievements, futuristic thoughts and generational wisdom".

-Ron (Ranbir) Gupta (IIT 1970 Architecture) President, PanIIT USA

"I am delighted that the Washington DC area has been selected to host the next PanIIT Global conference. The focus of the Conference on innovation and how advancements in artificial intelligence, sustainable energy, and medicine can provide a brighter future for everyone is timely. The conference will also highlight the importance of the US-India relationship in technology innovation and security cooperation as a force for global good in the current geopolitical context. I look forward to welcoming all attendees to join us in a discussion with thought leaders from industry, academia, and government while networking with peers and reliving nostalgic moments with fellow alumni

-Siddhartha (Sid) Chowdhary (IIT KGP 92), Chairman IIT 2024 & Chairman/CEO, Credence Management Solutions

From IIT's 50,000 US members, with a global reach of over 500k+ alumni and associates of the world-renowned 23 Indian Institutes of Technology (IIT) and 7 international IITs, we invite you to join the IIT2024 Global Conference.
