

Iro Dimitropoulou makes everyone want to visit Greece with her new Cover for Grazia Magazine

Iro Dimitropoulou makes headlines and heads turn with her new Grazia Cover. Making everyone in love with Greece

Los Angeles, California Aug 9, 2023 ([Issuewire.com](https://www.issuewire.com)) - Grazia Magazine's newest cover is graced by Iro Dimitropoulou and the gorgeous visuals are making viewers visit Greece at once. The photoshoot

was done at one of the most luxurious hotels on the island, Kalesma Mykonos. With admirable and strikingly gorgeous figure and beauty, the naturally appealing Iro Dimitropoulou and all her sides and her work is the cover story of the fashion magazine. Major and high-fashion brands like Chanel, Louis Vuitton, Mach & Mach, David Koma, High Jewelry, and Tiffany & Co. helped the model get ready for the cover story.

Along with gracing the cover, the readers will also get a glimpse at Iro Dimitropoulou's personal life, as the edition features an interview with her as well. The admirable and worldwide known for her immense beauty has helped her gain the title of a Greek goddess. But, she is not only just a model but at the same time a successful actress and entrepreneur too. While asking how she manages everything on her own and getting success in all fields, the model replies stating "They are all aspects of my identity that enrich my life in their own unique ways. Being a model, actress, and entrepreneur, among other things, allows me to explore my creativity, passion, and intelligence, and helps me grow both personally and professionally."

Intending to break the stereotype of "beauty without brains", the businesswoman also explains what humanism means to her in this interview. She emphasizes having kindness at all times and places and focuses on its importance in everyday life. The model says that "It's about making a positive difference in people's lives, something I strive to achieve in my daily interactions and through my work."
