New York City, New York Aug 11, 2023 ([IssueWire.com](https://www.issuewire.com)) - Get ready to be horrified! Listen to the ugly truth beyond the beauty of the lies untold, with Dr. Ronald Gordon's life-changing book entitled: Jane's Dust: A Tale of Talc Deceit and Death.

This is a fictional story based on the extensive research of Dr. Ronald Gordon on the side effects of the use of talcum powder in a man's day-to-day life due to the presence of asbestos. The story also unfolds the appalling truth of its long-term and short-term effects on the human body as well as the false claims its manufacturers make.

Dr. Ronald Gordon exposed this shocking effect of talcum powder in his interview with Kate Delaney and even suggested consulting your doctor before and after using it.
