**Noida, Uttar Pradesh Aug 24, 2023 ([IssueWire.com](https://www.issuewire.com))** - **LearNowX**, in collaboration with Cloud Analogy, is thrilled to announce the launch of the highly anticipated LearNowX Ideathon – a dynamic platform designed to ignite creativity, foster collaboration, and drive innovative solutions. This extraordinary event offers a space for bright minds to converge, ideate, and revolutionize real-world challenges, providing them with a unique avenue to showcase their ingenuity and problem-solving capabilities.

The LearNowX Ideathon invites all visionaries, creators, and innovators to have their game-changing ideas take center stage. Submissions for the LearNowX Ideathon are open across a diverse spectrum of software domains, from novel apps, websites, and software solutions to tangible products, unique services, and inventive business frameworks. Participants are encouraged to explore the boundaries of their imagination and present ideas that can potentially significantly impact the world.

### **Event Highlights:**

**Team Collaboration:** Teams of up to four members can participate, with the option to have an optional mentor to guide them throughout the ideation process.

**Free Registration:** Registrations for the LearNowX Ideathon are open & are available on the event website.

**Innovative Idea Submissions:** Participants are invited to share their innovative tech ideas to enter the competition and stand a chance to win exciting prizes.

**Comprehensive Evaluation:** The competition will follow a three-phase evaluation process, from an initial idea review to developing a Minimum Viable Product (MVP) presentation.

### **Key Dates To Remember:**

- Last Date of Registration/Idea Submission: Thursday, August 31, 2023
- Submission of Proof of Concepts Deadline: Friday, September 15, 2023
- Evaluation of Proof of Concept: Saturday, September 16, 2023 (Online Mode)
- MVP Presentation: Saturday, September 30, 2023 (Offline Mode)
