

Join Us For Media Makers 2023!

A Festival Networking Experience Presented by AFMX & AFMI

Albuquerque, New Mexico Aug 21, 2023 (Issuewire.com) - Get Ready for the Media Makers' Extravaganza at the AFMX Festival! Clear your calendars! Thursday, September 28, 2023, is not just another day. It's the day all creative minds have been waiting for - the Media Makers' networking event at the AFMX Film and Music Festival.

This is no ordinary event. It's the brainchild of the Albuquerque Film and Media Experience, in

collaboration with the Albuquerque Film and Media Incubator. Imagine being in a room full of film buffs, media creators, festival-going enthusiasts, and influential community partners.

You are not just attending an event; you are weaving your web of connections, exchanging ideas, and perhaps even setting the stage for your next big project. It's like being in a movie where you're the star, and the script is being written right there and then!

Our events are always a full house, and this one will be no exception. Seats are as coveted as the last slice of pizza at a party, so make sure you get yours! And did we mention it's FREE for AFMX festival pass holders? AND only \$10 for non-pass holders!

Media Makers, *THE* exclusive networking event of AFMX is on
