

Leawo 2023 Back-to-School Sales Offers 40% OFF Prof. DRM Media Pack to Remove DRM Protection upon Various Files

Leawo Software rolls out their 2023 Back-to-School Sales, offering 40% off Prof. DRM Media Pack to remove DRM from audiobooks, Spotify songs, as well as iTunes music and videos.

Shenzhen, Guangdong Aug 21, 2023 ([Issuewire.com](https://www.issuewire.com)) - Back to school sales and deals continue to roll out excellent discounts for students, parents, and teachers. So, if people are preparing for the semester and looking for off to college essentials, now is the time to save. Leawo Software, a leading developer and supplier specializing in multimedia solution and data management software, is thrilled to announce the launch of their [2023 Back-to-School Sales](#). The event is set to run from today to September 15, 2023, offering customers the opportunity to save big on various software products.

One of the major highlights of this promotion is the exclusive 40% discount on [Leawo Prof. DRM Media Pack](#). Originally priced at \$99.95, the pack is now available for a limited time only at \$59.97. This comprehensive media pack includes Prof. DRM Video Converter, Prof. DRM Music Converter, Prof. DRM Spotify Converter, and Prof. DRM Audiobook Converter.

- DRM Video Converter, also known as iTunes Video Converter, allows users to remove DRM protection from iTunes M4V movies and TV shows, while converting them to MP4 format with 100% original quality preservation, including Dolby 5.1 surround sound. To remove DRM from movies on Apple TV+, see: [How to Download Movies on Apple TV+?](#)
- DRM Music Converter, which is also compatible with iTunes, is capable of converting DRM-encrypted iTunes M4P and non-DRM iTunes M4A music to MP3 format. Users have the flexibility to choose their preferred channels, sampling rates, and bit rates.
- DRM Spotify Converter is designed to remove DRM from Spotify music, enabling users to convert their favorite songs into MP3, M4B, M4A, AAC, WAV, and FLAC audio files, while removing all ads. This converter also provides the option to edit music parameters.
- DRM Audiobook Converter offers users the ability to remove DRM from iTunes M4B audiobooks

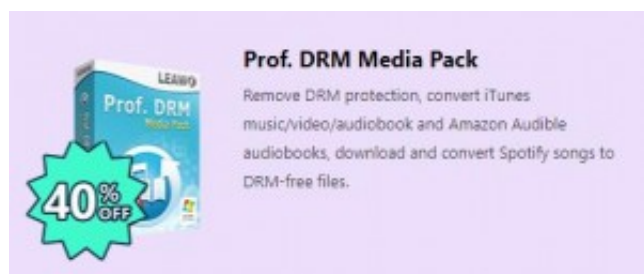

and Amazon AA/AAX audiobooks, converting them into DRM-free MP3 audio files at an impressive 5X higher speed. Account authority is not required, ensuring seamless sharing and enjoyment.

Moreover, the Prof. DRM package also includes Prof. DRM eBook Converter, which enables users to [convert eBooks from Z-Library](#), Kindle, Kobo, Adobe, and other platforms into DRM-free formats like mobi, azw3, txt, and more. This module is also available at a 30% discount, along with all the individual modules within the pack.

In addition to the Prof. DRM Media Pack discount, Leawo Software is offering up to 91% off on numerous other products during this event. Customers can snag exciting deals on popular software bundles like [CleverGet All-in-One 11](#), Leawo All-in-One Bundle, Leawo [PhotoIn](#)s, and many more. Don't miss out on this exceptional opportunity to purchase premium software at unbeatable prices. Visit the Leawo Software website or contact their customer support team to learn more about the 2023 Back-to-School Sales.
