

Leawo Back-to-School Sale Offers 60% OFF 4K/UHD Blu-ray Toolkit to Rip, Decrypt, Copy UHD Blu-ray and Remove Protection

Leawo Software recently announced the launch of their 2023 Back-to-School Sales. From now until Sep. 15, 2023, customers can enjoy 60% off Ultimate 4K Blu-ray Toolkit and other up to 91% discounts.

Shenzhen, Guangdong Aug 28, 2023 ([Issuewire.com](https://www.issuewire.com)) - As the days become shorter and the evenings become cooler, it is time to consider the new school year. Thankfully, every year from late July to early September, businesses around the world hold back-to-school sales that offer parents great savings on a variety of items. Leawo Software, a leading multimedia software developer dedicated to providing practical and useful software to customers worldwide, has officially launched their highly anticipated [2023 Back-to-School Sales event](#). This exciting promotion gives customers the opportunity to enjoy exclusive discounts on a range of Leawo products until September 15, 2023.

One of the standout offerings is the Leawo Ultimate 4K/UHD Blu-ray Toolkit, specifically designed to meet the requirements of Blu-ray enthusiasts by offering a wide range of features to enhance their viewing pleasure. This toolkit empowers users to lower the firmware of 4K/UHD Blu-ray drives, decrypt and extract movies from 4K Blu-ray discs, convert them to different formats, and copy and backup 4K Blu-ray movies to their computer or blank discs using either a 1:1 or movie-only backup mode. With an impressive 60% discount, the bundle, originally priced at \$309.85, can now be purchased for just \$123.94 for a limited time. This translates to substantial savings of \$185.91. Within this toolkit, users will find three impressive components:

[Leawo UHD Ripper](#) - This cutting-edge software empowers users to rip and backup 4K Ultra HD Blu-ray movies while converting them into popular formats such as MP4, MKV, AVI, and more. Featuring powerful features such as decryption of protected discs, retention of 4K quality, video editing

capabilities, and more, the Leawo UHD Ripper ensures a seamless and personalized viewing experience.

[Leawo UHD Copy](#) - A user-friendly software designed specifically for [4K UHD Blu-ray backup and copying](#). This tool allows users to duplicate 4K Ultra HD Blu-ray movies to a blank disc, 4K Blu-ray folder, or ISO file while maintaining the original quality and effects, including 3D, HDR10, HDR10+, Dolby Vision, and more.

[Leawo UHD Drive Tool](#) - Developed to cater to the rising popularity of 4K Blu-ray, this software enables users to downgrade the UHD-unfriendly firmware on their Blu-ray drive to a compatible version. With the Leawo UHD Drive Tool, users can read, rip, copy, or burn discs without any restrictions, ensuring a seamless and hassle-free experience.

In addition, there is a newly released product – UHD Creator, which is able to convert and burn videos/photos to 4K Blu-ray disc, folder and/or ISO image file with customizable disc menu and practical video editing features. Like other items in the Ultimate 4K/UHD Blu-ray Toolkit, UHD Creator is also 40% off for a limited time at \$53.97.

What's more, to make this Back-to-School Sale even more enticing, Leawo Software is offering additional discounts of up to 90% on products such as CleverGet All-in-One 11, Leawo All-in-One Bundle, Ultimate Blu-ray Toolkit, and more. Furthermore, all visitors to the promotion page will receive a complimentary Leawo Screen Recorder by simply entering their name and email address. Do not miss out on this incredible opportunity to enhance your 4K UHD Blu-ray experience with Leawo Software's 2023 Back-to-School Sales. Take advantage of the discounted prices and additional promotions before September 15, 2023.
