

Leawo Rolls Out 2023 Back-to-School Sales with 50% OFF PhotoIns for All-in-One Photo Editing Needs

Leawo Software's 2023 Back-to-School Sales are set to revolutionize the way students and professionals alike manage their photo editing needs. With unparalleled discounts and industry-leading software solutions, this promotion is not to be missed.

Shenzhen, Guangdong Aug 16, 2023 ([IssueWire.com](https://www.issuewire.com)) - While you might still be in vacation mode, back-to-school season is here, which means that now is the time to start taking advantage of back-to-school sales for everyone in your family. Leawo Software, a leading developer and supplier specializing in multimedia solutions and data management software, is thrilled to announce the rollout of their [2023 Back-to-School Sales](#). Running until September 15, 2023, this exclusive promotion offers customers an incredible opportunity to avail themselves of a generous 50% discount on the revolutionary Leawo PhotoIns package.

Originally valued at \$109.95, customers can now purchase Leawo PhotoIns for just \$54.97, resulting in savings of \$54.98 for a limited time. Identified as a 3-in-1 photo solution package, Leawo PhotoIns comprises three powerful tools: [Photo Enhancer](#), [Photo BG Remover](#), and [Photo Enlarger](#). For those seeking individual modules, Leawo Software is also offering a significant discount of 40%, with prices starting at just \$23.97.

The Photo Enhancer tool empowers users to effortlessly enhance individual or multiple photos by addressing common issues such as blurriness and haziness. Furthermore, it sharpens details, adjusts exposure, optimizes colors, vitalizes saturation, and fixes white balance for a truly breathtaking visual experience. What's more, it supports processing RAW images and fixes lens-related issues like distortion, chromatic aberration, vignetting, and more.

As for the Photo BG Remover, this innovative feature automatically or manually removes photo backgrounds in batches or individually. Thanks to smart algorithms, it can precisely cut out

backgrounds around hair and fur as well as backgrounds behind transparent objects. With this tool, users can easily edit or change photo backgrounds by adjusting front ground, background, and shadow elements, thereby providing endless creative possibilities.

Lastly, the Photo Enlarger comes equipped with advanced algorithms that can automatically or manually increase image resolution by up to 40X while simultaneously reducing noise, and adjusting contrast, brightness, and sharpness. This groundbreaking technology ensures every detail is preserved, resulting in stunning high-resolution images. Driven by the latest hardware acceleration technology, it can save time by efficiently processing photos 5x faster.

To add to the excitement, Leawo Software is extending additional discounts of up to 90% on popular products such as [CleverGet All-in-One 11](#) and Leawo All-in-One Bundle. These exceptional deals provide customers with access to multiple innovative software solutions at unbeatable prices. CleverGet All-in-One 11 is a video downloader to [download videos from Netflix](#), YouTube, Max, Hulu, Disney+, and much more.

As part of their commitment to customer satisfaction, Leawo Software is also offering a free Screen Recorder to all visitors who enter their name and email address on the promotion page. This feature-rich screen recorder enables users to capture high-quality videos with ease, enhancing their multimedia experience.
