Minneapolis, Aug 11, 2023 ([Issuewire.com](https://www.issuewire.com)) - **Monica Lynn** is one of those blessed souls who have the power to create music unexpectedly and beautifully. At the age of 5, she started playing guitar and singing, and that was the time she knew regardless of whatever career she chooses to follow music will always be her soulful companion. [Blame](#) and [‘La Música](#)’ shows how immensely talented she is as a music artist. Joining her forces with Crossover Records LLC she has been releasing some highly engaging tracks that will make your day instantly.

Being born in the Midwest, she started her career in Human Resources and Technology, got married, and raised two sons. Yet she remained true to her musical roots by performing relentlessly at several community gatherings and church. It was 2015 when she met Megan Pavot and a musical companionship was born in the bathroom at a bar in northern Minnesota. They started to perform as a duo at various gigs and places.

As Megan lost her battle with Cancer in November 2019, **Monica Lynn** was compelled to follow her solo career in music. She made her debut with a beautiful track called ‘Mystery Man’, and since then there has been no turning back. Her career includes impressive releases like ‘No One Left To Blame’, ‘La Música’, ‘Faith In You’, ‘I’m Not Her’, ‘Snow Angel’, ‘Mystery Man’, and ‘Something Is Changing’. The musical legacy that was started with two friends sharing similar interests has driven her to carry the legacy of two single-handedly.
