

## Lubrall Industries Pvt Ltd Expands Operations with Second Manufacturing Facility in Chakan, Pune

**Pune, Maharashtra Aug 20, 2023 ([IssueWire.com](https://www.issuewire.com))** - Lubrall Industries Pvt Ltd, a leading name in the lubricants industry, is proud to announce the opening of their second state-of-the-art manufacturing facility in Chakan, Pune. This expansion is a testament to Lubrall's commitment to meeting the growing demand for high-quality lubricants and enhancing their production capabilities.

The new facility, strategically located in Chakan, will further strengthen Lubrall's presence in the western region of India and enable the company to better serve its customers with increased efficiency and reduced lead times. With advanced production equipment and cutting-edge technology, the facility is poised to produce a diverse range of lubricants that cater to various industries, including automotive, industrial, and marine.

Mr. Jotiram Jagtap CEO of Lubrall Industries Pvt Ltd, expressed his enthusiasm about the expansion, stating, "The opening of our second manufacturing facility in Chakan marks a significant milestone for Lubrall. This expansion aligns with our vision to provide superior lubrication solutions while maintaining the highest standards of quality and sustainability."

Lubrall's new manufacturing facility is not only focused on production efficiency but also emphasizes environmental responsibility. The facility has been designed to incorporate eco-friendly practices, reflecting Lubrall's commitment to sustainability and minimizing its carbon footprint.

The inauguration ceremony for the new facility was attended by key industry stakeholders, government officials, and Lubrall's senior management team. The event highlighted Lubrall's dedication to innovation, quality, and customer satisfaction.

About Lubrall Industries Pvt Ltd:
