South Australia, Australia Aug 31, 2023 ([Issuewire.com](https://www.issuewire.com)) - MLEI is proud to announce a change to our Leadership Team. To support our recent growth, Ben Rice is now Managing Director as Nicholas Murphy is elevated to Executive Chair of the Board. This change represents a significant milestone for the company and will enable MLEI to continue its strong growth.

As Executive Director for the last 8 years, Ben has been instrumental in driving our workplace culture, leading the Graduate & Leadership Development Programs and delivering successful engineering projects. Ben will remain engaged with industry while having a stronger focus on the operation of the MLEI group of companies, as he leads us in our purpose to develop people, deliver trusted expertise, and shape communities.

After founding the company 16.5 years ago, outgoing Managing Director Nicholas has grown the company from its first humble office on Unley Road to today's 135-strong team across multiple offices, multiple sectors and that is dedicated to the company vision, purpose, and values. Nicholas will continue to lead MLEI's Mergers and Acquisitions to build on the 7 transactions so far and contribute to Strategic Recruitment and Business Development.
