

Nanette Garavito, PA-C, a Physician Assistant in Private Practice

Get to know Physician Assistant, Nanette Garavito, who serves patients in Florida.

New York City, New York Aug 24, 2023 ([Issuewire.com](https://www.issuewire.com)) - Nanette is a board-certified physician assistant currently tending to patients in Miami, Florida, working alongside Dr. Elias Feanny at his private practice. Having joined the team in 2014, her journey has been one characterized by profound contributions and a passion for holistic patient care.

Graduating from Miami Dade College in 2007, she is proficient in diverse specialties, including internal medicine, family medicine, pediatrics, and emergency medicine. Her formative internship in interventional cardiology also speaks volumes about her thirst for knowledge and her drive to master even the most intricate aspects of her field.

Recognized as a Fellow of the American Academy of Physician Assistants, Nanette's affiliation with the American College of Cardiology (CCA Team) showcases her active engagement in the medical community, a testament to her dedication to staying at the forefront of medical advancements.

A significant feather in her cap is her role on the medical staff of Baptist Health Medical Group in Hematology/Oncology for Baptist Health South Florida. This role underscores her deep-seated commitment to serving her community and improving the lives of those battling complex medical conditions.

A Certified Physician Assistant (PA-C) is a health care practitioner who practices medicine in collaboration with physicians. They examine patients, prescribe medicine, and order diagnostic tests. In most cases, they work under the supervision of physicians or surgeons, but they can work more independently in some states, rural areas, and inner-city areas, consulting with physicians only when they need help with cases.

Beyond her professional endeavors, Nanette finds solace and rejuvenation in a range of activities. Her passion for cycling, scuba diving, and sailing mirrors her adventurous spirit and her zest for life beyond the confines of a medical setting. Her cherished moments of relaxation are often shared with her loyal pug, demonstrating the warmth and compassion that she extends to both her patients and her beloved furry friend.
