From humble beginnings in a garage to lighting up the world with unique neon artwork, Orant Neon is the embodiment of passion and dedication. Founded by Daniel and Angela in 2021, Orant Neon emerged as a response to the lack of affordable and unique neon signs in the market. What started as a

personal endeavor to enhance their space turned into a mission to bring custom, handmade neon artworks to homes and businesses worldwide.

Renowned sign solutions provider, ORANT NEON, is excited to announce the launch of its latest product offering - [custom neon signs](#). These unique and customizable signs offer businesses, events, and individuals a vibrant way to share their message.

In an era where personalization and branding are key, [custom led sign](#) offers a captivating blend of retro charm and contemporary aesthetics. They have long been associated with iconic cityscapes and have now found their place in interior décor, brand advertising, and event signage.

" 'Our aim was to provide a product that allows our customers to express themselves in a bright and memorable way,' says Wayne Workman, Chief Marketing Officer of ORANT NEON."

The custom neon signs are crafted with precision, using high-quality materials to ensure longevity and visual appeal. Clients can choose from a range of colours, fonts, and designs to match their branding or décor needs.

While neon signs are often associated with a vintage look, their resurgence in modern design highlights their versatility. From trendy cafes to tech startups, these signs are making a statement.

Interested parties can get in touch with ORANT NEON via their official website or by calling the helpline. With a team of experts on hand, the company guarantees a seamless experience from design consultation to installation.
