

Pretty Porches Atlanta Poised to Create Pumpkin Joy All Over Atlanta

Pumpkin design and delivery moving over 50,000 pounds of pumpkins.

Alpharetta, Georgia Aug 27, 2023 ([Issuewire.com](https://www.issuewire.com)) - Pretty Porches ATL, Atlanta's premier pumpkin delivery and design service, is gearing up for an exciting fall season. The company, co-founded by long-time friends and Atlanta locals, Kelly Laughlin and Kelly Wernick, brings the beauty and joy of fall to the doorsteps of homes across the city.

The dynamic duo, widely known as the "Kelly's", shares a deep-rooted passion for the fall season. Their inspiration for Pretty Porches ATL sprouted from cherished memories of pumpkin shopping with their children and the desire to make that experience more convenient for others. Founded in 2022, the company has quickly gained popularity for its unique and personalized service.

"The Fall season is twice as long as the Christmas season and we really just wanted to make the most of it by savoring it through our offerings. Pumpkins are beautiful and such a part of both Halloween and Thanksgiving. We wanted to do something that celebrated and highlighted the season and extended it as long as possible. Providing a concierge delivery and design pumpkin service seemed like the perfect

answer," said Kelly Laughlin.

In 2022, Pretty Porches ATL moved an impressive 50,000 pounds of pumpkins, illustrating the community's love for their innovative service. "We are excited to see how excited people are about the pumpkins and about continued growth. People love our work and there is so much satisfaction out of seeing the joy on people's faces and the beauty on their porches. It's like Christmas when the customer comes out to see it for the first time," commented Kelly Laughlin.

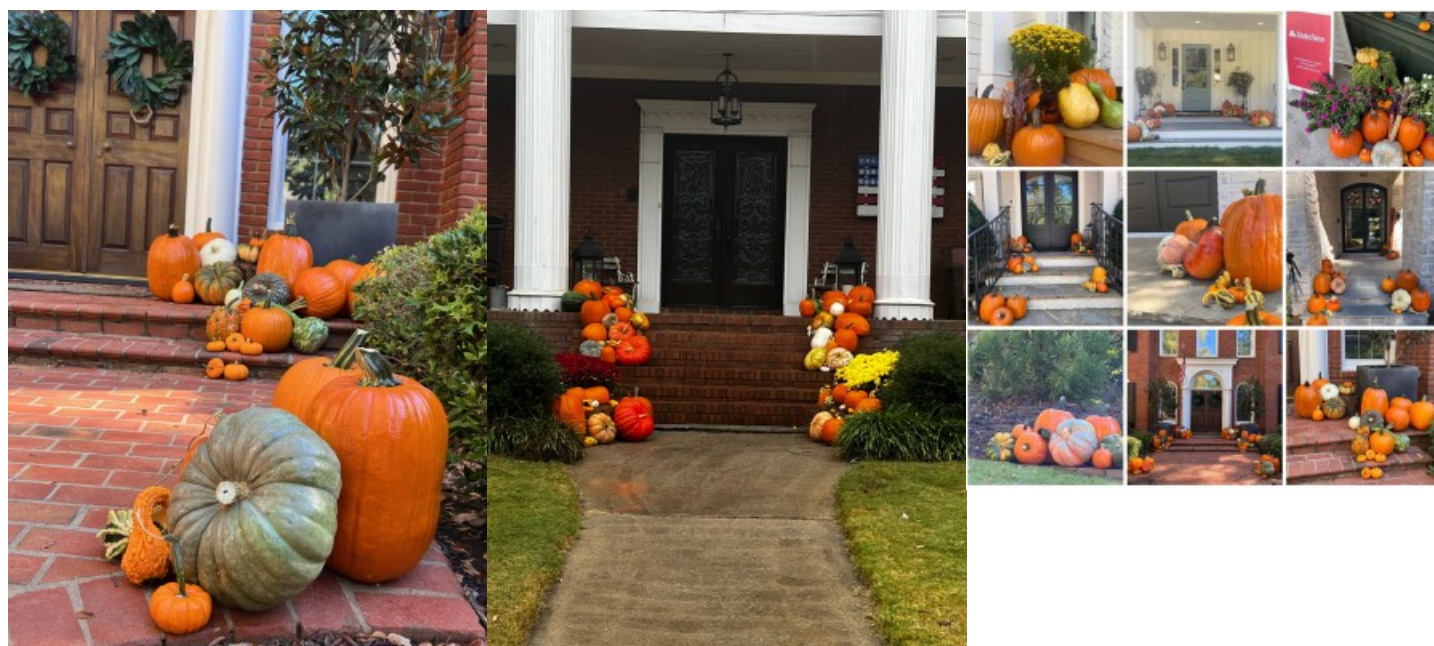

Pretty Porches ATL offers a choice of three different packages, with add-on options including Halloween decorations, mums, and even a removal service at the end of the season.

Deliveries and design services for the 2023 season will begin in the last week of September and continue through the beginning of October. "We are having so much fun doing this together. I didn't realize we would get so much joy out of this little company- but we do. Our hope is to continue to grow it and expand everyone's love for this season," stated Kelly Wernick.
