Kobe, Hyogo Aug 15, 2023 (IssueWire.com) - Now, real nature: true colors of Dark Matter & Dark Energy (as the deepest mystery in physics) and so forth could have been specifically revealed and the real worth of the Riemann Hypothesis (as the most difficult problem in maths) could've been completely proved, perfectly solved by "Super Simple Theory" (as a new Theory of Everything) in a new e-book of the following web site:

[Amazon.com: ~Super Simple \(is best\) Theory~: ...as a new Theory of Everything.... eBook: Grace, KinGo\(I\)d: Kindle Store](#)

Indeed, no one (no experts) could have denied the above basic theory at all.

*This simple theory is easy to understand very well...

And also, in addition to the (only) solution for abolishing Nuclear Weapons and Guns (for attacking) could have been indicated, the (unknown) origin of the war and a good solution for the end of that war [No War Project] would have been clearly described by the same author...

*Please be sure to see (read) the main important points in another (e-)book of the following website:
