**Atlanta, Georgia Aug 14, 2023 ([Issuewire.com](http://Issuewire.com))** - Reel One Entertainment World Wide, an independent film and television production company, along with L. Felix Media announced today they are co-producing a new podcast "[Scale Plus Ted](#)" starring acclaimed actor [Ted Huckabee](#), known for his roles in "The Walking Dead", "Green Book", and "Leatherheads." The show will feature candid conversations between [Huckabee](#) and fellow actors, sharing behind-the-scenes stories and bloopers from movie and TV sets.

Reel One Entertainment World Wide and L. Felix Media will produce 12 episodes of the podcast, set to start filming in late September and October 2023. The show will be recorded in Atlanta, Georgia, where [Huckabee](#) and many of the guests are based.

"We're thrilled to partner with Reel One Entertainment World Wide on this exciting new podcast," said Lynton Felix, CEO of L. Felix Media. "[Ted Huckabee](#) is a gifted storyteller and actor, and audiences will

surely be entertained hearing tales of unscripted moments from renowned actors in a relaxed, unfiltered way.

"L. Felix Media shares our vision for creating high-quality, compelling content that celebrates the entertainment industry," said Martin L. Kelley, Producer of Reel One Entertainment World Wide. Bennie Swint another Producer spoke "We look forward to working with them and the immensely talented Ted Huckabee on this podcast. Both Producers Laron Austin and Eddie Davis Singleton both feel the Scale Plus Ted podcast will be a breath of fresh air in this competitive market.

Huckabee has over 20 years of experience as a film and television actor. In addition to notable roles in "Hillbilly Elegy," "Flight" and "Let's Be Cops," he has appeared in a number of Hollywood Blockbusters. Huckabee continues to act, with several projects currently in production or development.
