

Upper Marlboro, Maryland's Iconic Marlton Golf Course & Country Club is Coming Back

Get ready to tee off and experience the revival of an iconic golfing destination!

Upper Marlboro, Maryland Aug 25, 2023 ([Issuewire.com](https://www.issuewire.com)) - Get ready to tee off and experience the revival of an iconic golfing destination! The Marlton Golf Club, nestled in the heart of the Marlton Community in Upper Marlboro, Maryland, is making a grand comeback, promising a golfing experience like no other. The much-awaited reopening will celebrate history, community, and the love for the game.

The Marlton Golf Club holds a special place in the hearts of golf enthusiasts, boasting a history that spans decades. This year-round, 18-hole course, designed by Ault-Clark and Associates, offers a picturesque layout covering 150 acres of breathtaking landscaping. With bent grass fairways and greens, Marlton is the first public course in Prince George's County to offer this level of quality. Golfers can challenge themselves with a par 71 layout that ranges from 4600 yards (forward tees) to 6200 yards (back tees), catering to players of all skill levels.

"Marlton Country Club is such an iconic place," says a representative from The Marlton Land Company, LLC, the current owner and manager of the club. "We are thrilled to bring this cherished establishment back to life for the entire community to enjoy."

The club's full-service clubhouse welcomes players with open arms, offering a fully stocked golf shop, a delightful food service dining area, and a scenic outside patio and pavilion that overlooks the picturesque front nine. The challenging tree-lined fairways demand precision and accuracy, providing a unique and exhilarating experience that will undoubtedly beckon players to return time and time again.

"Marlton has always cared for its members and their family," adds the representative, emphasizing the club's commitment to providing a warm and welcoming atmosphere for all who visit.

History echoes through the course, as the land upon which [Marlton Golf Course & Country Club](#) stands has a rich heritage in Prince George's County. Originally part of the 379-acre Woodstock Farm owned by the Clagett-Hill family during the 19th century, the property's transformation into a golfing haven began with the visionary developers Orville and Mark Ritchie, who turned it into the Marlton housing development in 1966. Following that, the championship golf course opened its fairways in 1968, with the Clagett-Hill Tobacco Barn repurposed into golf course offices and equipment storage.

After undergoing a full redesign and reemergence by Ault-Clark and Associates in the 1996-1997 timeframe, the Marlton Golf Course regained its former glory, captivating the hearts of golfers once again. Don Pleasants previously owned the course and was managed by Kemper Sports until April 2015, when HWVJ Enterprises, LLC took over, continuing the tradition of excellence.

The reopening of Marlton Golf Club, Upper Marlboro's beloved gem, is scheduled for later this year. Golf enthusiasts and newcomers can expect an experience that blends history, nature, and top-notch golfing facilities. Don't miss the opportunity to be part of this exciting chapter in Marlton's story!
