

Yuri Sirotinski, DDS, a Dentist with Rufe Snow Dental Group

Get to know Dentist Dr. Yuri Sirotinski, who serves patients in North Richland Hills, Texas.

New York City, New York Aug 16, 2023 ([IssueWire.com](https://www.issuewire.com)) - The Owner of Rufe Snow Dental Group, Dr. Sirotinski is passionate about providing the highest quality care in a comfortable, relaxing, caring, and modern environment.

Never compromising on quality, he is dedicated to exceeding his patients' expectations every single visit by taking time to truly listen to them about their needs. He is nitrous and sedation certified in order to bring this same level of care and experience to patients who may have more anxiety due to previous bad experiences in the dental chair.

Born in Ukraine, Dr. Sirotinski moved to Connecticut at the age of 10. He received his Bachelor of Science Degree in Molecular and Cell Biology from the University of Connecticut, where he also received a minor in Physiology and Neurobiology. He then went on to earn his Doctor of Dental Surgery Degree from the world-renowned New York University College of Dentistry in New York City.

Following dental school, Dr. Sirotinski completed his General Dentistry Residency at the Columbia University College of Physicians and Surgeons associated with Harlem Hospital.

A firm believer in the value of continuing education, he believes that in today's world, technology is constantly changing the way we practice and we need to stay on the cutting edge to be able to offer patients the very best treatment possible. Dr. Sirotinski is Invisalign Certified and has also undergone extensive training in the placement and restoration of dental implants. He is also an alumnus of the prestigious Kois Institute in Seattle, which is a world leader in implementing the latest cosmetic, implant and restorative dentistry advances into daily practice.

Among his professional dental affiliations, Dr. Sirotinski is an active member of the Academy of General Dentistry and the American Academy of Cosmetic Dentistry.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

After spending the first 10 years of his career practicing in New York City and its suburbs, Dr. Sirotinski decided to relocate and raise his family in Texas. He and his beautiful wife, Christina, have one child and enjoy being a part of the North Richland Hills community.

In his free time, Dr. Sirotinski enjoys spending time with his family, as well as their pup, Zeus. He enjoys traveling, working on his golf swing, exploring the Metroplex and its many great restaurants, and seeing what the state of Texas has to offer.
