Manila, Luzon Sep 13, 2023 ([Issuewire.com](https://www.issuewire.com)) - After the successful Book 1 release in his Jade Cross Trilogy, author Harold W. Weist is back with another thrilling installment! Jade Cross Book 2: Before the Adventure is the second installment of the heart-pounding trilogy and follows the journey of Travis Tolbane as he unwittingly steps into the most perilous phase of his life after his retirement from the Marine Corps. This book will be displayed alongside the trilogy's Book 1 and Book 3 at the 2023 Manila

International Book Fair this coming September 14-17.

In Jade Cross Book 2: Before the Adventure, readers are introduced to the novel's main protagonist, Tolbane, who has recently settled into a peaceful retirement in Mount Juliet, Tennessee. Not asking for more in life as a humble mall security manager in Nashville, he believes his biggest challenge will be adapting to civilian life after years of service as a Marine Corps. However, fate has other plans for him. Little does he know that his past escapades in Vietnam have placed the love of his life, Kaila Al Noor, in grave danger.

Unbeknownst to Tolbane, a thief he captured during his service in Vietnam has risen to power as the leader of a notorious snatch-and-grab gang in Middle Tennessee. Consumed by pure hatred and an unrelenting obsession to seek revenge, the criminal mastermind sets his sights on Tolbane, with only one goal, to end his life in the most brutal way possible.

As the novel unfolds, readers will be enthralled by the relentless pursuit, heart-stopping encounters, and unexpected twists that lie in wait for Travis Tolbane. He never would have thought that his undying love for Kaila Al Noor becomes his ultimate vulnerability. Becoming the bait in the deadly game of “catch the mouse” orchestrated by his nemesis.

Weist showcases how diverse he is as an author by exploring the themes of love, vengeance, and the thin line between life and death into one book.
