

2023 Manila International Book Fair presents Reflections on Mountaineering by Alan V. Goldman

Exploring Emotion, Expertise, and Excitement Through Mountaineering at the 2023 Manila International Book Fair

Manila, Luzon Sep 13, 2023 ([Issuewire.com](https://www.issuewire.com)) - In Alan V. Goldman's *Reflections on Mountaineering: A Journey Through Life as Experienced in the Mountains*, readers are taken through a noteworthy journey, one that attempts to capture the essence of the mountaineering experience.

To reach a wider audience, author Alan V. Goldman tapped Authors Press to market his evocative anthology — *Reflections on Mountaineering*. The fifth edition of Goldman's anthology encapsulates his experience of more than thirty years of climbing through a series of narrative poems.

Each poem encourages the readers a chance to ponder and reflect on the moral and philosophical implications of life; Goldman offers his readers a variety of stories about awe and wonder, fear and courage, and even luck, fate, and chance. Through Goldman's poems, readers can have the glimpse to experience the struggles, triumphs, and sorrows of mountaineers.

Employing a meditative technique, Goldman dives into how climbers impart meaning to the mountains by their own way of calling. His techniques in writing *Reflections on Mountaineering* makes the anthology special as he captures the essence of multiple disciplines within literature and combines them into a cohesive and reflective narrative.

He manages to intertwine emotion, expertise, and excitement to accurately capture the experience of being one with nature through mountaineering.

Whether someone is an experienced mountaineer or a curious spectator, this book has something to offer. Goldman's quest for understanding nature provides an opportunity to ponder and admire the beauty, grace, and mystery of its awe-inspiring beauty. Catch Alan V. Goldman and his anthology, *Reflections on Mountaineering*, this September 14- 17 in the 2023 Manila International Book Fair at the SMX Convention Center.
