Well, All Bout Cash Money started with a lifestyle. We don't encourage illegal activities but work to create a more productive generation of bosses. Redefining the way to succeed in the most positive way. Trenton D. Price 21 at the time in Palmdale CA from North Hollywood-Van Nuys CA originally created and designed the brand. But is not the current owner anymore. It started with his lifestyle as a kid he sold candy for a teen candy crew out in San Bernardino County. Later he wanted to brand his real life

and open his own business. It was All Bout Cash Money™. Following Nipsey Hussle's footsteps when it came to clothing.

Our products are loved by the majority. Get stylish with our products. When you walk through you will be remembered. All though the brand is All Bout Cash Money™ be safe & smart. Don't carry cash if you don't have to. If you have to carry the least amount on you. We like to promote safety for our customers because we care. We are All Bout Cash Money every time we clock in for work. We are trying to make that money in cash rather in a form of check, direct deposit, or cash.

All Bout Cash Money™ is a new brand we have rebranded our logo twice from the original. We are dedicated to continuing to bring our products to you despite the hardship we all faced in the pandemic. It was our greatest wish and now we finally made it. We are one of those brands that's loved everywhere people wanna know where you got your new fit from. Stay fit with All Bout Cash Money™.
