Get to know Dentist Dr. Andrea Benitez, who serves patients in Homestead, Florida.

New York City, New York Sep 14, 2023 ([Issuewire.com](https://www.issuewire.com)) - An established dentist, Dr. Benitez is well-versed in implant-supported dental prosthesis, pediatric dentistry, orthopedic procedures, oral surgery, endodontics, periodontics, oral pathology, restorative dentistry, and cosmetic dentistry. Her diverse knowledge base allows her to address a wide range of dental concerns and provide tailored solutions for each patient. Her journey in the field of dentistry is marked by prestigious degrees and a commitment to providing comprehensive care to her patients.

Back in the early days of her academic career, she embarked on her educational path by earning her Dentist degree from Santa Maria University in Caracas, Venezuela, in 2009. Additionally, she holds a Master's and Specialization Degree in Periodontics from the University of Panama. Since then, she has been on a mission to improve the oral health and overall well-being of her patients. She earned a postdoctoral program certificate in Advanced Education in General Dentistry (AEGD) from the esteemed Columbia University in the City of New York.

Continuously advancing her efforts, the doctor is an active member of various esteemed dental organizations, including the American Dental Association, Florida Dental Association, South Florida District Dental Association, the American Academy of Periodontology, the Academy of General Dentistry, the American Association of Women Dentists, and the American Academy of Developmental Medicine & Dentistry.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

Beyond her professional achievements, Dr. Benitez is a person with a deep connection with her family, and shares a strong bond with her pet dog. She finds happiness in dancing, singing, and the beauty of music.
