

Bharat Petroleum Tells the Story of MAK Lubricants: A Leader in Quality and Innovation

MAK Lubricants Partners with 'JAWAN' Film: Featuring Shah Rukh Khan.

Mumbai, Maharashtra Sep 12, 2023 ([Issuewire.com](https://www.issuewire.com)) - Bharat Petroleum Corporation Limited (BPCL), a big name in India's [Oil and Gas Companies](#), shares the story of MAK Lubricants, its top brand for oils and greases.

Big news for movie and car fans! MAK Lubricants teams up with the upcoming 2023 film 'JAWAN' starring Shah Rukh Khan. They are the film's official oil partner. The team-up message is clear - "Jawan completes every mission. And MAK Lubricants helps him on this journey. Because MAK Makes it Possible!" Fans can watch the movie "#MAKLubricants powers Jawan" in theatres from 7th September in Hindi, Tamil, and Telugu.

People in India and other countries trust MAK Lubricants from Bharat Petroleum. The brand offers more than 400 types of oils. These oils help many industries like farming, sugar, cement, steel, railways, buildings, and more.

MAK Lubricants sees its users as partners. They believe in making products together. This thinking helps machines last longer and is also good for nature.

From the start, MAK Lubricants liked trying new things. They first brought out high-quality 'Group II+ base oils' called MAKBase. They then made special oils for new BS-VI vehicles. This shows how BPCL

always tries to bring new and better products.

MAK Lubricants doesn't just serve big industries. They also make oils for special needs. They've recently added new oils that protect engines for longer and safe oils for food, which NSF approves.

In the bike world, many big names like TVS, Hero, and Honda trust MAK Lubricants. MAK also provides oils for Tata trucks and cars. This trust has lasted for more than ten years, showing MAK Lubricants' quality and good service.

Caring for nature, MAK Lubricants is making oils that can stay in engines longer. They are also looking into making oils that nature can break down.

MAK Lubricants has a long story of hard work, new ideas, and never giving up. Their motto, "MAK® Makes it Possible," tells this story. It also promises to always try new things and break new grounds.
