Bengaluru, Karnataka Sep 3, 2023 (Issuewire.com) - CUBE is back! Mindray India BLK-Max Super Specialty Hospital and St. John's Hospital present the sixth edition of the CUBE haematology-**CUBE HDMI 2023**.

Mindray India, in collaboration with BLK-MAX Super Speciality Hospital and St. John's Medical College and Hospital, is thrilled to announce the highly anticipated sixth edition of "CUBE (Cytomorphometry Unveiling Blood Evaluation)" Symposium, titled "CUBE - HDMI 2023." This hybrid, virtual event will be held on the **9th of September 2023 from 12 noon to 6.20 pm (IST) and the 10th of September 2023 from 9 am to 12.50 pm (IST) streaming LIVE from Bengaluru**, combining in-person and digital formats to reach a wider audience. This year's symposium will explore the advancements in Hemocytomorphometry, Digital Morphology, and Artificial Intelligence.

The symposium, dedicated to laboratory professionals, will provide invaluable insights into Hematology Research. Hosted under the Academic Affairs, Research and Continuing Education (AARCE) wing of Dr B L Kapur Memorial Hospital, New Delhi. This symposium aims to enhance professional development in the science of cell analysis by hematology analyzers & will be led by the Department of Haematology.

With the support of Mindray India, attendees will have the unique opportunity to delve into the wealth of information on new-age cell counters, including numerical data, research trends, graphical patterns, and their clinical applications. The symposium will feature interactive workshops, lectures by renowned keynote speakers, and an unmatched platform for networking and collaboration.

Participants at CUBE 2023 can look forward to exploring cutting-edge possibilities, gaining knowledge, and forging meaningful collaborations with industry leaders and medical professionals from around the world. The event transcends geographical and language barriers, creating a global platform for the exchange of ideas and advancements in hematology.

Don't miss this unparalleled opportunity to be part of the extraordinary journey towards unlocking the future of hematology analysis. Reserve your spot today by visiting the Official CUBE 2023 page on Mindray India: <https://www.mindray.com/in/events/cube-hdmi-2023/>
