Get to know Otolaryngologist Dr. David Cuthbertson, who serves patients in Texas.

New York City, New York Sep 27, 2023 ([Issuewire.com](https://www.issuewire.com)) - Dr. Cuthbertson is a board-certified otolaryngologist who has been practicing at ENT Associates of Lubbock since 2016. He offers comprehensive care across all age groups, from pediatric ear tubes and tonsil procedures to addressing adult ear, nose, and throat conditions.

His proficiency shines in various facets of nasal surgery, including the latest in-office procedures such as balloon sinuplasty, Rhinair, Vivaer, and Clarifix, as well as nasal surgeries like septoplasty and endoscopic sinus surgery. Additionally, Dr. Cuthbertson excels in complex head and neck procedures such as thyroid and parathyroidectomies, ensuring that patients feel comfortable and reassured with his relaxed, caring, and compassionate approach to healthcare. He was the first surgeon in West Texas to perform Inspire surgery for sleep apnea and continues to be the most prolific surgeon for this procedure in the region.

His academic journey is equally impressive. Dr. Cuthbertson earned dual undergraduate degrees in Computer Science and Spanish, the latter of which he is fluent in, from the University of Texas at Austin. Subsequently, he pursued his medical education at Baylor College of Medicine and completed his residency there.

Following his rigorous training, he obtained board certification in otolaryngology through the American Board of Otolaryngology-Head and Neck Surgery. It is a non-profit organization with the mission of ensuring professional standards in this field since 1924.

Since 2022, Dr. Cuthbertson has assumed the role of Chair of the Medical Executive Committee at Covenant High Plains Surgery Center, demonstrating his leadership and commitment to excellence in the medical field.

Among his professional affiliations, he is an active member of the American Academy of Otolaryngology-Head and Neck Surgery and the Texas Medical Association.

Otolaryngology is a medical specialty that is focused on the ears, nose, and throat. It is also called otolaryngology head and neck surgery because specialists are trained in both medicine and surgery. An otolaryngologist is often called an ear, nose, and throat doctor, or an ENT for short.

Outside of the office, Dr. Cuthbertson enjoys spending time with his wife, son, and two daughters. He also enjoys participating in college ministry activities, both locally and globally, playing and coaching soccer, as well as traveling. His favorite places to vacation include Hawaii and Costa Rica.
