Dedicated to using her skill set to make a difference in the world, Emily has her clients' best interests at heart.

New York City, New York Sep 14, 2023 ([Issuewire.com](https://www.Issuewire.com)) - A licensed realtor at eXp, Emily focuses her attention on Central Florida and loves to help everyone in the area find the home of their dreams. Her areas of focus include new home builds as well as waterfront and luxury properties.

Graduating from Winona State University in Minnesota with a Bachelor's Degree in Psychology, Emily has found many ways to utilize her education and help others. She has been in the real estate industry for over a decade, starting her career in property management then moving to new home construction for 6 years and has since pursued real estate as her own business.

Passionate about giving back, Emily started an animal welfare organization called "With Love, Kai," whose proceeds go towards partnering with rescues and shelters to raise funds and awareness for those who need it. Her motto is "helping animals one home at a time."

Crediting her success to finding the purpose for everything she does, Emily asks herself who is this benefiting? And who is this serving? Among her various accolades include the 2020 Award for Highest Volume, 2020 Top Producer, and 2018 Top Sales Performer.

Emily has a book and a podcast coming soon, where she will focus on discussions about healing and living life authentically.
