

Felix Lopez Bermudez, MD, a Family Physician

Get to know Family Physician Dr. Felix Lopez Bermudez, who serves patients in Orlando, Florida.

New York City, New York Sep 19, 2023 ([Issuewire.com](https://www.issuewire.com)) - A trusted family physician, Dr. Bermudez is affiliated with Innovacare Health and he is the founder of AddMedHealth in Orlando, Florida. He is a versatile and dedicated healthcare professional whose expertise spans a broad spectrum of medical care. Playing a crucial role as a general practitioner, he offers comprehensive healthcare services to patients throughout their lives. This enduring doctor-patient relationship is a hallmark of general

practice, and he takes pride in delivering essential healthcare services to individuals and families.

With a broad educational background, the doctor's medical education began at the Instituto Superior de Ciencias Medicinas de Villa Clara, where he graduated in 1994. With a solid foundation in medicine, he pursued further training to expand his knowledge and skills. He completed residencies in both Internal Medicine and Neurology at Louisiana State University School of Medicine between 2013 and 2017. This diverse training background equips him with a well-rounded understanding of medical conditions, enabling him to diagnose and treat a wide range of illnesses and injuries.

Having obtained a Florida State Medical License, Dr. Bermudez is licensed to practice medicine in the state of Florida, ensuring that his patients receive care that meets the highest standards of quality and safety.

An authority in his field, he has received recognition for his dedication to providing top-tier healthcare services. Awards such as the Freedom Optimum Appreciation for Commitment to Quality from 2018 to 2023 and the title of Highly Ranked Doctor of Race for the Five Stars from 2016 to 2023 demonstrate his ongoing pursuit of excellence in patient care.

Family medicine is a medical specialty devoted to comprehensive health care for people of all ages. The specialist is called a family physician or family doctor. A family physician is often the first person a patient sees when seeking healthcare services. They examine and treat patients with a wide range of conditions and refer those with serious ailments to a specialist or appropriate facility.

On a more personal note, Dr. Bermudez is fluent in both English and Spanish.
