Get to know Hospitalist Dr. Furhan R. Qureshi, who serves patients in Harrisonburg, Virginia.

New York City, New York Dec 22, 2023 ([IssueWire.com](https://www.issuewire.com)) - A top professional in the field of internal medicine, Dr. Qureshi is affiliated with Sentara Medical Group, tending to patients in Harrisonburg, Virginia. Additionally, he practices with Noor Esthetique And Wellness Center.

Pertaining to the doctor's educational pursuits, he received his medical degree from the Ross University School of Medicine in 2012 and completed his intensive internship at the Icahn School of Medicine at Mount Sinai Program in 2013. Following this experience, he embarked on a residency at the Leonard J. Chabert Medical Center, culminating in 2015, gaining a deep understanding of internal medicine.

Following his training, Dr. Qureshi attained board certification in internal medicine through the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

He later joined and continues to proudly service the United States Air Force as a reservist physician. His responsibilities include assuring the medical readiness of our troops as well as being prepared to deploy at all times in case of a grave national crisis. He is further trained in combat medicine.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in Internal Medicine are called Internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

Dr. Qureshi is the owner and medical director of the latest and cutting-edge medical aesthetics practice, Noor Esthetique and Wellness Center. It is a boutique aesthetics practice offering many services from neuromodulator injections and dermal fillers to the latest laser services to treat hyperpigmented and lax skin.
