

Groove to the Latest Drops by the Phenomenal Hip-Hop Artist Increase

The powerhouse of talent, Hip-Hop star Increase has taken the vibe next level after releasing radiant performances back to back. Fans can't hold their emotion.

O'Fallon, Sep 26, 2023 ([Issuewire.com](https://www.issuewire.com)) - Introducing refreshingly crisp and creatively gripping, the new name in the Hip Hop industry **Increase** has set the bar high for his temporary musicians of this time by delivering such passionate belief in writing and song making. His unmatched skills in music composition and storytelling made him stand out tall with ease. The gritty lyrics of the soundtracks

instantly captivate the ears of the audience. The heavy rhythms naturally enhance the beauty of the fast-paced instrumental of the soundtracks. The quirks and the mainstream traits of his creations offer another side of the versatile artist. The soundtracks are produced with a subtle balance between seamless beats and intense lyricism.

The colossal artist also performs the role of a producer and works in the IT industry, yet didn't let fade away his passion and dedication for music. Originally from St. Louis, the United States spread his wings of profound music creations all over the world. '[Time Will Tell](#)' and '[Go Bad –Instrumental](#)' are two of the finest creations by the skillful artist. Both of the tracks have managed to impress the audience with their charm and styling. The soulful hooks are an honest example of classic hip-hop. The instantly awakening tracks are brilliantly colorful, boosting, and heartfelt at the same time. Well, **Increase** continues to impress his fans over the years with his magical and radiant performances. His creations show his profound knowledge and boundless skill in what he does.

Moreover, the superb structure of the soundtrack engages the listeners throughout. Several other soundtracks managed to captivate the attention of the audience instantly, including, '**Switch Flipper**', '**Appreciation**', '**Guns Go Up**' and '**In My Blood**' etc. All of his magical tracks are available on [Spotify](#). You can also follow the phenomenal musician on [Facebook](#), [Instagram](#), and [Twitter](#) to learn more about his upcoming release.
